### A Lazy Liver

May be only a tired liver, or a starved liver. It would be a stupid as well as savage thing to beat a weary or starved man because he lagged in his work. So in treating the lagging, torpid liver it is a great mistake to lash it with strong drastic drasts. A torpid liver is but drastic drugs. A torpid liver is but an indication of an ill-nourished, enfeebled body whose organs are weary with over work. Start with the stomach and allied organs of digestion and nutrition. Put them in working order and see how quickly your liver will become active. Dr. Pierce's Golden Medical Discovery has made many marvelous cures of "liver trouble" by its wonderful control of the organs of digestion and nutrition. It re-stores the normal activity of the stomach, increases the secretions of the blood-making glands, cleanses the system from pols accumulations, and so relieves the liver of the burdens imposed upon it by

the defection of other organs.

If you have bitter or bad tasts in the morning poor or variable appetite, coated tongue, foul breath, coastpated or irregular bowels, feel weak, easily tired, espondent, frequent beadaches, pain er distressed "small of back," gnawing or distressed teeling in stomach, perhaps nauses. The property of the property of weak stomach and torpid lives no medicine will relieve you more promptly or cure you more permanently than Doctor Pierces Golden Medical Discovery. Perhaps only a part of the above symptoms will be present at one time and yet point to torpid liver or at one time and yet point to torpid liver or billousness and weak stomach. Avoid all hot bread and biacuits, griddle cakes and other indigestible food and take the "Golden

The "Discovery" is non-secret, non-alcoholic, is a glyceric extract of native medicinal roots with a full list of its ingredients printed on each bottle-wrapper and attested under oath. Its ingredients are indirected and extolled by the most eminent medical writers of the age and are recommended to cure the diseases for which it is advised.

### THE FAIRFAX BABY.

With the Baltimore attorney, Judge Conway W. Sams, who is representing the foreigner, declaring that the male child adopted by Marquis de Montfer-rier, a scion of France, for the purpose of making him his heir, is not of aristo-cratic birth, and the woman from whom it was procured affirming that the blood of the Virginia Fairfaxes and the Carrolls trickles through his veius, the con

rolls trickles through his veius, the con-troversy over the parentage of the child reached an interesting climax yesterday. The whole trouble arose over a state-ment made by a friend of the Montfer-riers, which was to the effect that the baby obtained from Mrs. Baker by Miss Esther Lowe, a former Baltimoreau, but now a resident of Winchester, at the now a resident of Winchester, at the request of her brother-in law, Dr. Frank, descendant of Carroll Jenkins, who is now abroad, was not a de-cendant of the Carroll family, as had been claimed. Judge Sams, who was employed by

the life history of the shild, completed his investigation several days ago, and made public his statement in Baltimore vesterday. This statement was to the effect that ample proof had been obtained showing that the child now in the possession of the Montferriers is not a descendant of the Carrolls of Carrollton; that he has not blue blood in bis rins, and is the son of a poor, obscur Virginia girl. He says:

"Sneptions having been created about the birth of the child, I was employed to investigate the matter, and I came to the conclusion that the child in question was not the son of William Fairfax and Engage Carroll, but of Fannie Virginia Carroll of Frederick county, Virginis, near Winehester. It was born on October 23, 1,06 "

It is said that the mother of the child when to France is a young woman about 20 years old, who lives at the home of her uncle, James J. Littleton, about four miles from Winchester, and that she occupies a humble position in life, Mrs. Elizabeth S. Baker, wife of Frank Baker, a druggist of Winchester, was seen last night regarding the story that the male child taken to Faris last summer by Mrs. Baker and adopted by a wesithy French nobleman, the Marquis de Montferriers and his wife, as John Cecil Fairfax, son of William Fairfax, of Virginia, and Elizabeth Carroll, of Maryland, was bogus and the son of numble parents.

Mrs. Baker declares emphatically that the child she took to Paris last February and turned over to the Marquis and Marquise de Montferriers is the genume haby boy she purported him to be, and of legitimate tirth, but she says she never declared that the child had aristo-

### CONFEDERATE PENSION NOT WANTED.

General Stephen D. Lee, commander of the United Confederate Veterans, has protested vigorously in a letter to Congress-man Richmond Pearson Hobson against the presentation of the latter's bill asking for an appropriation to pension Confederate soldiers. General Lee says that such a bill would hot represent the wishes of surviving Confederates and would serve surviving Confederates and would serve no useful purpose. Judge Fuller, of Montgomery, Ala., in a state-ment last-uight, approved the position taken by General Lee and added: "There is so indirect way in which United States help can be rendered which Confederate veterans would unanimously accept. If the government will refund the cotton tax which was unjustly collected from the douth, and which is a just debt, the amounts aportioned each state might be urned over as a Confederate pension by

We will not have five tons of Turkeys for Christmas, not even one ton, as strictly first class Turkeys will be scarce But what we will have will be fresh from the barn yards of Old Virginia. Do not have a Thanksgiving Turkey for your Christmas dinner. The time has come when the good people of Alexandria can't even with plenty of money get what they may desire, as all lines of first quality goods are scarce.
